Assessing Our PBL Components

Project Title: _____

Team Members: _____

Date: _____ Standards: _____

Essential Question Project Plan Research Organizing Information Product or Solution Collaboration Communication Problem Solving Critical Thinking Creative Thinking Presentation. Other _____

By Teacher Peer(s) Self Parents Other _____

After gathering feedback, use the checklist from your project planning and this feedback to list all aspects of the presentation you did well. Follow with a list of what areas you could improve. Speculate what you will do to improve. Sign your document showing that you all agree on these lists. Each keep a copy in your folder. Add pages as needed. Use extra sheet or back as needed. All sign

What we did well.

What we can improve.

How?
